

SUSTAINING COMMUNITY VALUES SINCE 1985

BLACKSTONE VALLEY TOURISM COUNCIL is the leader in transforming Rhode Island's Blackstone Valley.

Through *visionary work, environmental stewardship,* and *community development,* Blackstone Valley has become a well-known cultural & historical destination.

The Council is the lead advocate in the development of our National Park and the Blackstone River Bikeway, has built parks and museums, and educated hundreds of thousands of people on the Blackstone River.

There is still more to do, and You can help!

Your support will be used to "preserve the future" by contributing to the **BLACKSTONE VALLEY HERITAGE ENVIRONMENTAL FUND**, which has the mission to develop and support environmental education & cleanups.

Annual Dinner, Silent Auction & Awards

Thursday, October 1st | Twin River Event Center
